Call To Order – Ms. Boots

Only two items were on the agenda: certified staff allocations for next school year and the instructional budget. Ms. Boots informed council that one district-level position had been cut – the principal at the Day Treatment Center.

Staff Allocations

Certified allocations at the high school were cut by five positions. Ms. Boots recommended, based on student course requests, cutting the following positions: one science teacher, two social studies teachers, and two English teachers. Ms. Boots also recommended that one of the math teachers be designated as a content coach for three non-teaching periods each day and that we create a new certified CIT Intervention position.

Several concerns were expressed over these reductions. How will students who failed science and social studies make up their credits - summer school only, school-within-a-school, or retaking classes? Also, Ms. Boots reported that the cuts will not result in huge class sizes. After discussion, Ms. Bryan moved to approve Ms. Boots' recommendation to cut one science teacher, two English teachers, and two social studies teachers for the 2008-09 school year. Ms. Sauerbeck seconded. Motion approved by consensus.

After additional discussion Ms. Sauerbeck moved to create a Freshman Intervention position by combining ½ math allocation and a Fast Forward para-educator position. This new position would include teaching CIT, Fast Forward, and Freshman Interventions. Ms. McCafferty seconded. Motion approved by consensus.

After further discussion, Ms. McCafferty moved to approve creating the math content coach for three periods each day. Mr. Styer seconded. Motion approved by consensus.

Instructional Budget

Ms. Board went over the instructional budget and how the totals were determined. Fixed funds were corrected to reflect current spending amounts. Additional funding would be used to purchase an office clerk and one-fourth of the band position. Mr. Hardy moved to approve the instructional budget as presented. Ms. Bryan seconded. Motion approved by consensus.

ADJOURN – There being no further business, Ms. Caldwell moved to adjourn. Mr. Hardy seconded. Motion approved by consensus.

Respectfully submitted,

Sally McNichols
