

# *FREE Tdap (Whooping Cough) Vaccine*

**WHO:** Campbell County Schools staff, family, friends and any child 10 years old or older who has not received a Tdap vaccine. *Note:* A parent or guardian will have to be present for any child younger than 18 years old to receive the vaccine

**WHEN** April 14, 2016, 3-6 PM

**WHERE:** Campbell County Middle School

**SIGN UP:** [www.SignUpGenius.com/go/30E0B45AFAE2DA6F94-campbell](http://www.SignUpGenius.com/go/30E0B45AFAE2DA6F94-campbell)

**WHY:** Cases of whooping cough, also called pertussis, have been reported in Campbell County. Vaccination is one way to help stop the spread of the disease, and protect those who are at risk for infection.

**MORE INFO:** For questions about the vaccination clinic, contact Nicole Tomlin, RN, at 859.431.3345, Ext. 2601

For information about Pertussis and the Tdap vaccine please visit: [www.nkyhealth.org/Whooping-Cough-Vaccine.aspx](http://www.nkyhealth.org/Whooping-Cough-Vaccine.aspx)

For questions about diagnosed cases, contact Emmanuel Oga, 859.363.2066
