2019-20 SIP Activities

All teachers will follow, I do, we do, you do, we review lesson plan format
All teachers will share student exemplars, per standard, with students as a part of the standards assessment process/written responses
All teachers will hold high expectations for student engagement and participation through the use of No Opt Out, Do Now, Every Minute Matters, At Bats, Right is Right, Format Matters, Whole Brain movement, and other techniques that require all students to be engaged and involved throughout a lesson
All teachers will use formative assessment including performance of understandings, Exit Tickets, and verbal and written feedback on success criteria and learning targets to inform student feedback as a result of instruction
All teachers will provide feedback specific to learning targets and success criteria to students through wrong answer analysis, Excavate the Errors, and other techniques prior to assessment and as a part of the performance of understanding.
