Shameless bragging	<p>All of our students and families for their incredible support of the walk-a-thon! Nora would like to recognize our Kdg teachers for their great work this year with all half-day kids. Kudos to you, Mr. Mazzei for your resilient, unwavering leadership over the past year... thank you for supporting everyone in your school community with innovation, flexibility, and kindness to help make school feel safe for kids, teachers, staff and families during the past year. Your dedication to doing 'whatever it takes' has certainly been tested over the past year, yet when everyone was virtual, you didn't bat an eye at normalizing what you could... including morning announcements, even if they were read from your front porch at home, or coordinating a drive-through winter wonderland to showcase that amazing suit. We feel super fortunate to have been a part of your school the past six years, mostly because you're the kind of principal who makes time to eat lunch with the kids, swap jokes on the way into school in the morning, and doesn't mind falling in a dunk tank or being silly stringed every once in a while. Thanks for all you do for kids, every day, and especially for going out of your way the past year to help everyone else find some semblance of normalcy!!</p>
