

CCMS UPDATE

1/10/2020

Thank you for the warm welcome I have received from the entire CCMS family. For those who do not know me, I am Julie Hubbard, a retired teacher and administrator from Campbell County. I taught 20 years at the elementary and middle school level and spent my last ten years as an administrator. I have enjoyed two and a half years of retirement and, quite frankly, said I would never do a long-term sub. Mr. Moore did a great job helping me to say yes when he described all the great things going on here at CCMS. I knew I wanted to be part of the greatness if only for a short while. I will be the Assistant Principal working with 7th grade until the end of the school year. I look forward to serving in this capacity and want to spend my time forming relationships and making our students work to their fullest potential. Thanks again for the warm welcome.
