Juuling/Vaping Informational Meeting

Meet the Expert

Please join us to learn from Joyce Jacobs, RN, MSN, certified tobacco specialist with St. Elizabeth Hospital, on Thursday, September 26th, 6-7PM, in the CCMS library. She will have helpful information for parents and students alike. The companies putting out these products are targeting your children! Please come check this out, because you could prevent your child from participating in the dangerous juuling and vaping trend. Come and learn from one of St. Elizabeth's specialists in this very field. She's already done the research for you!
