Appetizers

Gather Resources - Hunt for those hard to find lesson components and ideas

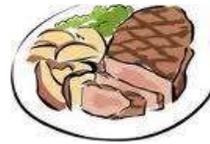

Co-Planning - Through conversation, collaboratively plan a lesson or series of lessons that meet best practices

Differentiation Support - Help design choice assignments or tiered activities/assessments for GT or RBI instruction

Classroom Coverage - Cover your class so that you may observe another colleague in your building with follow-up reflection and next steps discussion

Main Entrees

Classroom Observer - Serve as another pair of eyes to track student concerns and brainstorm ideas for intervention

Co-Teaching - After planning cooperatively, teach a lesson together

Technology Support - Assist you in developing creative uses for technology in your classroom

Model Lesson - Demonstrate a new strategy or concept in your classroom while you observe and interject

Data Conversation - Collaboratively analyze formative assessment or common assessment data to make instructional decisions

Desserts

Reflection - Through conversation and observation, reflect on student learning

Collaboration - Help you connect with other teachers in your building or throughout the district

Brainstorming Session - Collaboratively bounce innovative ideas off one another

Listening and Support - Lend an open ear for a topic of your choice

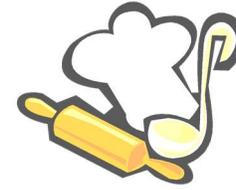

Is there something you are craving, but don't see it on the menu? **Order it anyway.** The chef is willing to cook up new creations as needed!

All of these menu items can help you with TPGES – Don't forget that your work with ICs would be great evidence in any of the 4 Domains or PGP/SGG

Myssi Turner,

Elementary Teaching and Learning Leader

Melissa Turner earned her Bachelor's Degree from Morehead State University and her Masters and Rank I from NKU. She is currently working on her Educational Leadership degree at NKU. Throughout her twenty years in education she has taught second, third, fourth, and fifth grades, served as a staff developer, and is currently the Teaching and Learning Leader. During her time as a staff developer and teacher, she helped lead Cline Elementary to its National Blue Ribbon Award status traveling to Washington D.C. to attend the ceremonies. Melissa has created and led multiple yearlong Action Research Based Professional Learning Cohorts including the Closing the Achievement Gap Cadre, Standards Based Grading and Reporting Pilot, and the Curriculum Cadre. This work has been recognized across the state through invitations to present our findings and success. She has also presented at regional and state level conferences, as well as participated in multiple

regional networks such as PIMSER and the NGSS Network. Her dedication to education and growth mindset has led to being a recipient of the Golden Apple Award and an Outstanding Teacher of the Year Award.

Rachel McConnachie, Instructional Coach, has had a love for learning since she was a child. During her university years she exchanged the Bluegrass State for the Mountain State where she received a Bachelor's Degree in Elementary Education from Ohio Valley University in Parkersburg, West Virginia. She soon found a great place to begin her career, teaching Kindergarten in Campbell County. After a wonderful experience teaching educational milestones, she moved into a third grade position. Third grade was excellent preparation for the next four years where Rachel would teach 5th grade. During

her 5th grade years Rachel completed a Master's Degree in Educational Leadership from Xavier University. She also was a Golden Apple Recipient and worked in many cadres and committees growing and developing her skills and knowledge in instruction and curriculum. Rachel currently is beginning her second year as an elementary instructional coach with a focus in Social Studies, Writing, and English/Language Arts. Rachel still maintains a strong passion for instruction but even greater is her passion for every student and teacher she works with along the way.

Lori Harpold is new to the instructional coaching team and has a focus on the primary grades. Lori was born and raised in Campbell County. She graduated from Northern Kentucky University with a Bachelor's Degree in Elementary Education. Soon after, she received her Master's Degree with a Gifted and Talented Education Endorsement. In 2011, she received her National Boards as an Early Childhood

Generalist. She has received a Golden Apple and has participated in several district cadres throughout her career. Lori formerly taught 3rd grade for the past 12 years at Highland Heights Elementary and Crossroads Elementary. She is looking forward to working with and getting to know all of the Campbell County Staff.

Melanie Schaefer, Instructional Coach, received a BA in Elementary Education in 1993, a MA in Elementary Education with certification in Special Education in 1998, and a Rank I in 2007 from Northern Kentucky University. As a classroom teacher, Melanie spent seven years teaching in grades kindergarten, first, second and fourth at Taylor Elementary in Bracken County. After coming to Campbell County, she taught Special Education at Cline Elementary for two years, followed by eight years of classroom teaching at Cline in third and fourth grades. Upon leaving the classroom, she spent the next two years as a Staff Developer - half-time grades K-5 at Grant's Lick Elementary and half-

time grades 6-12 at the Campbell County Day Treatment Center and the Campbell County Juvenile Detention Center. Melanie is starting her fifth year as a District Elementary Instructional Coach for Campbell County Schools, serving both students and teachers in all five elementary buildings in the areas of Math, Science and Writing. She has been named a Regional Science Lead for NGSS, a Kentucky Elite Mathematics Coach through the Kentucky Center for Mathematics, a Northern Kentucky Writing Project fellow and has been honored as a member of Teacher Leadership Northern Kentucky.
