

02/12/21

To order your copy of the 2020-21 yearbook:

<https://www.jostens.com/apps/store/customer/1221994/Campbell-County-Middle-School/>

Parents/Guardians:

The yearbook staff invites students and parents to submit photos for the CCMS yearbook. If you've got great photos of school and community events, CCMS sporting events, or you having fun, we'd like to see them. Our photographers can't be everywhere, especially during these times. Help us get as many photos as possible to create a terrific book everyone will want to have.

If you ordered a CCMS yearbook last year and your student is All-Virtual, you may email darci.fields@campbell.kyschools.us to make arrangements to pick it up.

TOP Teen Outreach Program

Believe

Dream **Achieve**

Hero Squad (formerly the Pennies for Patients program) kicked off on Feb. 11th. This year, there are three ways to participate:

- **Bring in your loose change (in a plastic baggie)**
- **Donate online (click the link below)**
- **Take your change to a CoinStar machine, choose the donate options and turn in your receipt to your homeroom teacher.**

This year's goal is \$1,800. Thanks to the hard work of one of our students, we have a \$400 head start toward that goal! The homerooms will compete against each other (without counting our head start!) and the class with the most money will win a pizza party.

Hybrid Dates:

Feb. 17 = A
Feb. 24 = B
Mar. 3 = A
Mar. 10 = B

CCMS offers School Smiles, on-site dental care, to students March 9th and 10th. To sign up, contact Tonya Slone by Feb. 15th.
tonya.slone@campbell.kyschools.us

Ms. Slone is accepting donations of new or gently used mugs (solid colored, no image only), and a queen and a twin comforter.

CAREER DAY

Help Wanted: If you'd like to create a video about your job that Ms. Slone can share for 8th Grade Career Day, please contact her at tonya.slone@campbell.kyschools.us

What's Happening At CCMS?

7th and 8th grade students interested in playing tennis for the high school can get more information by watching the video at this link:

<https://youtu.be/9XjeXmX27tQ>

or emailing Jeremiah.Sowards@campbell.kyschools.us

The "Backpack Meal" program is an outreach program from Christ Baptist Church in Cold Spring designed to help those families who are truly in need of food. If this describes you, please return the permission form below to Ms. Slone. We will provide a bag of "kid friendly" food for your student in his/her backpack each week. Examples of the items are: individual soups, cheese, and crackers, small boxes of cereal, juice boxes or granola bars.

Softball Tryouts

7th & 8th graders can tryout for the high school softball team Feb 22-24th. For times & information, call *Sandi Kitchen* at (513) 518-4099 or e-mail bkitchen@madeiracityschools.org
A physical is required to tryout.

8th graders interested in trying out for the high school baseball team should have a physical on file at CCHS. Tryouts should begin Feb. 22nd. Follow Campbell County Baseball on Facebook and Twitter for updates.
(Click the glove to follow on Facebook.)

My child _____ has my permission to receive Backpack Meals either on Tuesday or Friday depending on their school hybrid schedule. I will check the bags each week to make sure there is nothing my child should not eat.

Extended School Services:

ESS is a proactive program designed to "continue" the educational program of the regular classroom. The educational goals mirror those of the regular classroom. Our team is made of certified public school teachers and staff who are experienced in using research-based methods of instruction to support and clarify your child's understanding of classroom instruction.

Through ESS, we hope your child's grades/K-PREP scores improve. We use constant monitoring to make sure we are addressing your child's immediate needs to keep him/her working on grade level. ESS objectives: Identify students in need of extended learning time; Provide interventions that have been shown effective with other children; Monitor progress to determine if the interventions are working; If an intervention is not working, then a different intervention needs to be used and monitored for effectiveness.

You may consider the ESS teachers as in house tutors to assist the classroom teacher in your child's success. Your child may meet with teachers on either a Tuesday or Thursday from 2:30 to 4:30 in the areas of reading and/or math. This will be determined by your child's performance on district assessments, classroom work, and teacher observations. Once identified, your child will receive two hours of ESS to keep him/her succeeding at the highest level.

Your involvement is critical! When families, schools, and communities work together, children are more successful! Our school is excited to provide this extended school service for your child to help them be more successful in the classroom. ESS at the Middle School will begin back on **February 2, 2021** and will continue until the end of the year. Your child will need to be picked up from the Campbell County Middle School South Parking Lot starting at 4:30 p.m.

If you're interested in enrolling your student in ESS, please fill out the form below and return it to school. Please email Ms. Hamilton at emily.hamilton@campbell.kyschools.us if you have any questions. Please know that ESS is not a study hall to do homework and missing work, but rather an extension of the classroom to help your student in area(s) where they are having deficits academically.

Please fill out this form and return it to the student's homeroom teacher.

Please circle Day and Subject you would like your child to attend. This is first come first serve and some days/subjects have more seats than others:

	Tuesday	Thursday
6th	Math or ELA	Math or ELA
7th	Math or ELA	Math or ELA
8th	Math or ELA	Math or ELA
