Policy Review	Motion	Second	Discussion
Possible Change to Dresscode Policy for backpacks			The discussion was to see if we would like to allow backpacks in the classroom due to COVID restrictions. Most likely we will not distribute lockers.
Blended Learning Policy 13.4			With changing programs it is suggested to be more general in the description of blended learning. Currently there are programs that are no longer in use. SBDM will review and bring for the first reading next meeting.
Technology Policy 21			With going 1:1 it is thought to revise the policy of BYOD in the technology policy. Dr. Gardner also mentioned that we focus on technology procedure.
