

Introducing
CAMPBELL COUNTY SCHOOL'S
Versatrans e-Link

The online portal to your students' busing information, right at your fingertips!

Why e-Link?

With e-Link, you can stay informed about your student's transportation details, such as where and when your children should wait for the bus.

- ✓ *Accurate and up to date*
- ✓ *Web-based for easy access from any device*
- ✓ *Secure data access*

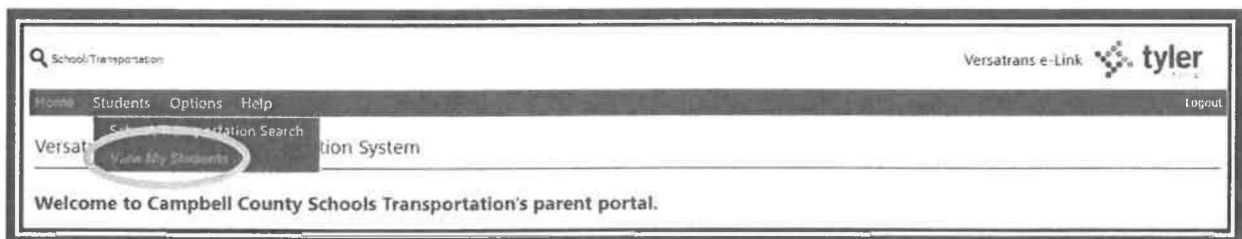

What can you expect?

- Website: <https://vtweb.tylertech.com/campbellco/elinkrp/login.aspx> (link available on Transportation's and your school's homepages at www.CampbellCountySchools.org)
- Access is limited to student information for members of your household only
- All information provided is read-only; edits are not an option
- The information is from a database – this is NOT a real-time GPS application
- Login is confidential and unique to each household:

Username: *student's 10-digit state ID # (avail. on Schoology, Parent Portal, schedule, etc.)*
Password: *student's 8-digit birthdate, in MMDDYYYY format (ex. 10072005)*

- Upon login, select "Student", then "View My Students", then click on your student's name:

Note: By selecting "Display PDF Version" and clicking "Go", a more comprehensive and printable format of the data opens in another page. This step is highly recommended.

CCS e-Link QR code:

**Remember – bus stop times are approximate; students should always arrive at their designated stop at least 5 minutes in advance of the planned time and be visible to the driver.*
