11/23 Science Fair

Reiley Rocks!

John W. Reiley Elementary is a Distinguished School! It is easy to continue celebrating the great things at Reiley. Students in grades 4 and 5 recently received their individual KPREP scores from the spring. I hope you are as proud of them as we are. They should be able to explain their scores to you and what they mean. It is especially great to see their growth scores as compared to their peers across the state. If you have questions feel free to contact me via email or phone. In addition, parent-teacher conferences are coming up the week of November 16th. Teachers will be contacting you about setting up a time to meet and review your child's progress.

Veterans Day

Our annual Veterans Day program will be held on November 11th at 1:30 p.m. This program is a great way to honor those who have served for our country, both during war and peace. All veterans are invited to attend this special event.

Science Fair

The Science Fair is set for November 23rd. We are excited about another successful year for students to complete intriguing experiments and learn more about the scientific method. It is not too late to sign up to complete a project. Contact the office for more information.

Lost and Found

They are MANY items in the lost and found bin. Many of the items are jackets. PLEASE send your child to look for any items they could be missing. Feel free to come check out the bin yourself. We will be donating all items left in the bins during the Thanksgiving break.

Notes:
*Want to help children in 3rd world countries celebrate Christmas? Join the 4th grade in donating and creating shoeboxes full of gifts for Operation Christmas Child. Boxes will be collected the week of November 16th. Donate items or money to help a child.
What Can Your Child do at Home?

There are several activities your child can do from home to continue working on academics.

⇒ https://www.khanacademy.org/ -Stuck on a topic you can’t seem to figure out? Check out this teaching site!

⇒ Xtramath.org-Practice math facts, mastering your addition through division facts.

⇒ Compass-Work on teacher-created lessons for math, language arts, grammar and other topics.

All of these websites and others can be linked to through our webpage. Check them out!

PTA

The PTA Spirit wear sale will end on November 6th. Items ordered will be here by Thanksgiving break. If you would like to order for Christmas and would rather pick up at school, please write that on order form. All orders will come home with your child. The shirts are blue with a gold roadrunner and lettering.

If you have any questions call Renee Phelps at 859-816-4825 or email reeneephelps1@gmail.com.

Reflections

Congratulations to the following students who entered the Reflections contest and will be going on to the regional competition:

Visual Arts
Anna Lee Carroll
Sydney Kraemer
Kieran Ranson
Lilijana Petersen
Adalynn Fowee
Luke Bertsch
Maggie Stankova
Gabrielle Lause
Kevin GoForth
Cora Lynn Bertsch

Music Composition
Emily Campbell
Kaleb Rath

Choreography
Arabella Bertucci

Photography

Opportunities for Volunteers
We Need Your Help!

We are looking for a few volunteers for the Science Fair on November 23rd. We need several parents to help during Santa Shop December 9th-11th. COSI is coming on January 20th and we will need many volunteers this day. Please contact Stephanie Lause at lause.sl@pg.com if you are interested in helping with these events. We can’t have successful events without volunteers to make them happen!

TRASH FOR CASH

Wow! You ROCK!!! We collected over $5700 in County Market receipts and over 7000 box tops!!! Thank you for participating.

Everything you send in is counted toward a contest, so please send things in as you collect them. No need to save them until you receive notice of a contest. Don’t forget to put the teacher’s name on the baggie. Our November contest will be announced soon! Stay tuned...

“LIKE” Reiley Elementary PTA on Facebook for contest and event updates.
Mrs. Sebastian’s
Counselor Corner
November 2015
During the month of November we be focusing on showing empathy and care towards others. This will be done during guidance and throughout the entire school day.

For Classroom Guidance, we will be having lessons on showing empathy and being assertive when speaking to others. Students will have the chance to participate in role playing to help them to better understand what it means to be assertive and show empathy in relationships.

Remember I can always be reached through email:
andrea.sebastian@campbell.kyschools.us

Seven Ways to Instill Assertiveness in Children
1. Allow them to make choices.
2. Stress that your child has rights (to say no, be respected, be proud of who they are).
3. Foster self-esteem
4. Be aware of how you respond to your child’s requests.
5. Stress that assertive people still ask for help.
6. Practice being assertive at home.
7. Explain the difference between being assertive and being aggressive.

Parent Success Skills
Dinner Nights
We will be having a great opportunity for parents to learn more about helping their students continue to be successful. Our next Parent Success Skills Dinner Night is on December 2nd at 6pm.

On November 6th, I will be continuing the discussion on bullying by leading a session at the Health and Safety Fair where students will see a video on bullying and have discussion following.

March-15
May-24

Holiday Help
The Resource Center is currently
accepting applications for holiday
help. You need to call in with your
child's sizes and one or two toys or
hobbies he or she enjoys. Many of
our churches, businesses or
individuals are asking for names
before Thanksgiving so they can shop
on Black Friday. We are asking all
families that request help, to
complete their parent/teacher
conference. These conferences are
very important for your child and
also the teacher.
We do need a current daytime phone
number and if yours changes, please
advise us of the new number.

Book Exchange
Both Reiley and GLE hold a Book
Exchange each month. Once a month,
if a student wishes, they can bring in a
gently used book and exchange for one
of mine. This is just another way to
get books into the hands of our
students. If a student wishes to take
home a chapter book they must bring
in a chapter book, and if they would
like a picture book they should bring a
picture book. This program will be
held once a month at both schools. I
look forward to discussing reading
with your student and hopefully they
will get a book they will enjoy reading.

Emergency Clothing:
Often during the school year
students need a set of dry
clothing for one reason or
another. Possibly they have
had an accident, or someone
has spilled something on them
or they have gotten sick, lost a
tooth and have blood on
themselves. If your child has
received clean clothing from
school please feel free to keep
the new underwear (we don’t
want that back), but please
wash the outer clothing and
send it back to school so we
can use it for another child
that has an accident. We
don’t have the space to store
large amounts of clothing so
your help is appreciated!
Turn everyday moments into Learning Opportunities!

United Way bornlearning® academy

Calling all parents who have children between the ages of birth and 5 and/or are expecting! Come learn tips and tricks on making sure that your child will be Kindergarten Ready!! A fun and interactive workshop will make for a night of fun!
