The Journey.....Go, Grow, Know, Show!

John W. Reiley Elementary

Distinguished, Progressing, School of Distinction!

It is hard not to continue celebrating all the great things happening at Reiley! Students in grades 4 and 5 have received their individual scores from KPREP today. I hope you are as proud of their efforts as we are. Students should be able to explain their scores to you. If you have questions feel free to contact me via email or phone. I would be happy to explain them to you. In addition, you can ask your child's teacher questions during Parent Teacher Conference which are the week of November 17th. Your child's teacher will be contacting you to set up a time to meet. Report cards will come home on the 14th so you will have time to look over them and come with any questions or concerns you may have.

We would love to honor as many Veterans as possible at our program Tuesday 11/11. All are welcome. There were information sheets sent home last week for veterans who wish to come. Students in grades 3-5 will be attending this special event.

Help Reiley Continue Its Success

Part of a school’s success is utilizing its improvement plan or SIP. Our SIP is located on the SBDM page of our website. Our SIP calls for several committees to be used to make decisions about our instructions, assessment, climate, and safety. All these committees are open to our external stakeholders to be a part of this evaluation and decision making process.

If you would like to be a part of one of the Reiley SIP committees, please contact Susan Rath at 635-2118 or susan.rath@campbell.kyschools.us

Congratulations to Reiley Elementary for receiving a Launch and Learn grant for additional Professional Development opportunities for our teachers. This will help our school get ready for the World Language Program Review implementation next year.

SCIENCE FAIR

It is not too late to sign up for the Science Fair! Send in your registration so you can receive the packet of information to help guide you in your project. Many community members will be here judging the projects on November 24th. Don’t miss out on the opportunity to engage in project-based learning. The fair will be open that evening at 6:30 for parents and guests to view.

Awards will be given at 7:00 following the PTA meeting.

PTA

The PTA is busy planning the Christmas Around the World event for 12/5. They are still looking for volunteers and ideas to make this event fun for families. The PTA is hosting a Santa Shop this year for students. All items will be very reasonable and will give students an opportunity to shop for family members. This is not a fundraiser. More information will come home soon.

The next PTA meeting is 11/24 at 7:00 p.m.
