

2ND GRADE NON-TRADITIONAL INSTRUCTION

We have prepared a folder for your child's NTI work. Each week's work is sectioned with a paper clip and a cover sheet. The cover sheet tells which assignments are required for the week and also has optional assignments.

Second grade students are required to complete 1.5 hours of work each day. If your child finishes the required work early, they can work on Compass, do XtraMath, or explore any of the websites/work on "Optional" list.

Please only complete the work for the assigned week, one week at a time. We will send a weekly message each Monday, letting you know that it is okay for your child to begin working on that week's content. We ask that you do not have your child work ahead in case we are able to come back to school earlier than expected.

Week 5: April 20th - April 24th

Week 6: April 27th - May 1st

Week 7: May 5th - May 8th
