

Dear Parents and Guardians,

Your student will be taking part in Non-Traditional Instruction (NTI) from home. I have provided supplies and a folder of instructional material for each student based on their individual needs. These materials will help reinforce your child's individual educational needs to continue your child's education during this time. The supplies I have provided and completed work will need to be returned to school at the end of NTI.

Each student should have already received a folder of material. In each student's folder, I have planned individualized, instructional level material for students to complete each day. I have also added optional extra work in each folder. Please return all the daily assignments and optional work your child completes when we return so that your child will receive credit for completing it.

In each folder, I have also included a weekly lesson plan to serve as a roadmap for completing work. Please note that you can make changes and alter as needed to meet the needs of your family and child's academic needs. Feel free to allow your child to make a choice on the activities and the order they complete them. Please note that NTI begins on Thursday, March 19, 2020.

Thank you for your patience and cooperation during this unprecedented situation. If you have questions please contact me.

I can be reached the following ways:

Email: jennifer.federle@campbell.kyschools.us

Phone or text: 859-474-0876

Voicemail: 859-635-2118

I will be checking emails and messages throughout the day. I am available during regular school hours from 8am to 3:30. If you message me after 3:30, I will respond the next day during normal school hours.

Stay healthy and I will see you all soon!

Mrs. Federle
