Setting the Stage for Success!

MAP Testing

Your children have worked so hard this school year! All students are taking the spring MAP assessment to show how much they've grown this past year. Students are earning rewards for their progress and effort on the MAP assessments. Each grade level has developed incentives for the classrooms. The students are excited about this opportunity to have fun after working hard all year. Teachers will let you know when your child is testing. In addition to classroom rewards I have purchased items to raffle off to students. They are displayed in the foyer. Students earn tickets by meeting their growth goals. They are super excited about the possibility of winning something just for working hard! We have three bikes, a skateboard, cool chairs, a remote control car and several other things to give away! Reiley students ROCK and we want to reward them for all their effort!

MUFFINS WITH MOM PROCEDURES

As we work towards better security within our school we will be updating procedures for various events. Muffins with Mom will be held on Friday, May 11th. Parents will need to sign up in advance for this event. You will be issued a ticket for entrance that morning. You will need to have your child and the ticket with you to enter the school and head to the event. The ticket will get you entry into the gymnasium for the event. If you want to walk your child to the classroom you will have to sign in to the office, leave your keys or ID, and get a visitor’s lanyard. We want to continue to offer family friendly events at Reiley. Thank you in advance for your support of our changes and updates! Please watch for a flyer to come home with sign up information after spring break. Thank you!

Kindergarten

Reiley is now registering children for kindergarten for next year. Stop by the office to sign your child up for the 2018-2019 school year.

Lost and Found

There are LOTS of items in the lost and found area. Please try to pick up lost items soon. They will be donated at the end of April.
Opportunities for Volunteers
We Need Your Help!

We need volunteers for Muffins with Mom on May 11th and on field day at the end of the school year. PTA will need your help in order to have these events. Please contact Stephanie Lause at mlause6@twc.com if you are willing to volunteer.

Parent Input Forms

If you would like to provide input to your child’s placement for next school year please see the attached Parent Input Form. While they are due March 30th I will accept them after spring break.

Thank you!

Kroger Rewards

If everyone signed up for the Kroger Rewards, chances are we would not need another fundraiser here at Reiley. We made a lot of money last year for just a few enrolled families. Signing up does NOT affect your rewards. Go online to www.krogercommunityrewards.com to sign up.

Autism Awareness Week

Check out the flyer to learn about how to support Autism at Reiley April 9-13th!

#ROCKtheKPREP!

KPREP testing will be in May (the dates have not been set yet). It will be vital that all students, especially 3rd-5th grade, be on time each day for this state assessment. Reiley has performed in the top 10% of all schools for several years. We are looking forward to continuing this success! We will be providing breakfast to all 3rd-5th grade students each morning of the test. Students in grades 3-5 will be assessed in reading, math, science, social studies, writing, and language arts. They have worked hard all year and now they get to show what they know!

Do you want to stay in the loop with happenings at Reiley? Join our text messaging group at Re-mind101. Text @3gd7 to the phone number 81010 and join the group. You will receive updates about school events and information. Check out our Facebook and Twitter pages to stay connected as well.

Autism Awareness Week
April 9-13, 2018

April is Autism Awareness Month

Autism is a complex developmental disability which primarily affects a person’s ability with social interaction and communication. Autism is known as a spectrum disorder, because it affects each individual in different ways and to varying degrees.

Show your support for those affected by autism by participating in our week-long spirit days!

Monday - Help Make Dreams Come True – Pajama Day
Tuesday - Together Everyone Accomplishes More – Favorite Sports Team Day
Wednesday - Be an Individual – Wacky Wednesday
Thursday - Hats Off to Autism – Hat Day and Wear Blue
Friday - Blend Together – Tie-Dye Day
Due by March 30, 2018

In order to place students into homerooms each year, Reiley Elementary is guided by the following considerations:

- Traditional grade level groupings for homeroom assignment,
- Flexible groupings of students for instruction based on student needs,
- Mixed ability grouping for instruction, when possible and feasible, with grouping and re-grouping of students as needed for individual and small group instruction and reinforcement.

The John W. Reiley Student Assignment Policy, as written by the Site-Based Decision Making Council, prohibits the Principal from considering a parent request for a specific teacher. The Principal may consider special factors when placing students into homerooms. This form allows parents to alert the Principal to special factors concerning their child. Requesting a specific teacher on this form will invalidate it and it will NOT be considered. You do not have to complete this form; this is optional for those parents who feel their child has some special factor to be considered when being placed in a homeroom.

Examples of special factors include:

✓ My child has an easy-going, “free spirit” type personality, if s/he is placed with a very strict teacher that may not work well.
✓ My child can act up sometimes and needs a teacher that will be very strict.
✓ My child has struggled with Math every year and might benefit from a teacher that has a track record of having special strengths in teaching math.
✓ A teacher at this grade level is my sister-in-law, I would prefer that my child not be in that room.

Examples of things that are NOT special factors:

✓ My child’s older brother had Mrs. Smith and we would like her again.
✓ My child asked me to tell you that s/he wants to be in Mrs. Smith class.

My child’s special factors for consideration are:

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

(Parent signature) (Student name) (17-18 grade level)

☐ If you have a unique situation that requires you to ask that your child NOT have a specific teacher, please set up an appointment with Mrs. Rath by April 20th.
A CMS Administrator will be present.
