Believe in Your #Selfie!

It is time for another exciting school year! Although summer always seems to be short, we are ready to go with a new year of learning at Reiley. Our focus each year is for each student to grow and reach their full potential academically and socially. I love the theme this year, “Believe in Your #Selfie” because students must believe in themselves to reach the goals they set in life. We want them to be lifelong learners and always seek new knowledge.

The first several weeks we will be focus strongly on procedures and relationships at Reiley. We use the CHAMPS program here and our expectations are based off the Reiley Guidelines for Success:

- Respect Yourself and Others
- Engaged in Learning
- Increase Your Knowledge
- Look, Listen, and Learn
- Effort Leads to Success
- You are Responsible for Yourself and Your Actions

We will be using Class Dojo for our behavior reinforcement system. We look forward to getting to know your children better and to ensure this is a very successful experience for all.

Mrs. Susan Rath

Please make sure you read the Parent/Student Handbook thoroughly and review it with your child. A hard copy is available from the office. The handbook is located on our website. Most of our communication is done using technology. Your email address must be current in Infinite Campus to receive our messages. This will be the only copy of the Roadrunner Report to be sent home. Future copies will be emailed through IC and placed on the school website. This includes menus, Counselor’s Corner, and FRC newsletters as well. Check out our website to stay current.
New Reiley Staff
If you are a returning Roadrunner you will see many new faces around the building. Please join us in welcoming them. It is going to be a fantastic year!

VIPS are VERY IMPORTANT
We need your help! Do you have a family member who would like to volunteer one day a week? We are looking for VIPS in Schools-Volunteers in Police Service. VIPS are trained by the Campbell County police department and serve in our school up to once a week. Several grandparents and retired community members currently serve throughout Campbell County. If this is a program you are interested in contact Susan Rath.

Watch Dog Dads
Watch Dog Dads are Reiley fathers and father figures who volunteer one day in the school. They help with individual and small group needs as well as help with the cafeteria and buses. Watch for more information about how to sign up for this worthwhile program.

STAY CONNECTED
Check our Facebook Page (Reiley Elementary School) and Twitter (Roadrunners @RESRocks). Get updated information via text messaging by texting @f3gd7 to 81010.

PTA
The next PTA meeting is August 15th at 7:00. Please come be a part of a vital partnership at Reiley. We would not reach the success we have without PTA support. They are currently planning our annual FALL FESTIVAL. This festival is our single largest fundraiser and supports many of the school programs throughout the year. Please come be a part of the planning and fun!

Kroger Rewards
Do you shop at Kroger's? Help us with the EASIEST fundraiser we have! Go online to www.krogercommunityrewards.com to sign up and help Reiley earn money just from your regular grocery shopping. Kroger has been a great supporter of schools and with your sign up we can earn even more money this year!

CAREER AND INTEREST DAYS AT REILEY
Everyone has a talent or interest they could share with a child. Come show what you know to curious elementary age students! Share something fun and interesting that you enjoy doing. Maybe you are a banker by day, but have an extreme passion for knitting at night. Show some students how to knit a small square! Or maybe you are more comfortable sharing about your career as a banker. We would love to have you on one of our Career and Interest Days. Our first date is September 30th from 9:00 a.m.-10:00 a.m. Contact Andrea Sebastian for more information at

Infinite Campus
Do you have access to your child's account on Infinite Campus? Access to Infinite Campus allows you to:

⇒ See your child's attendance

⇒ See your child’s grades and assignments

⇒ See your child’s daily schedule

If you do not have a password for your child's Infinite Campus account, you MUST come to school to get one (we have to see a driver’s license or other identification).

You can also access the Infinite Campus mobile app in iTunes and at infinite-campus.com/mobile

BACK TO SCHOOL
Counselor Corner

The 2016-2017 School Year is going to be a great one! I am excited to continue to get to know all students and families here at Reiley. Please complete the information below if you are interested in requesting your child speak to the School Counselor or if you are willing to volunteer for the new Career and Interest Days at Reiley.

Requesting to See the School Counselor
As we begin this school year, I want to be sure that all students and parents are aware of how to request to see the school counselor. We have student referral slips in the classrooms for students and also students will simply ask their teacher to come speak to me. As a parent, please feel free to reach out to me if you feel your child could benefit from speaking with me individually or in a group counseling setting. If you feel that your child could benefit from either of these, please feel free to complete the information below and I would be happy to reach out to you to help best meet the needs of your student.

Career and Interest Days at Reiley
We are working on compiling a list of parents and community members that would be willing to come in to Reiley Elementary School to be a part of working toward helping students develop a growth mindset. Our hope is to have volunteers come in and speak with our students about either their career or even something you find interesting that you enjoy doing for a hobby. We are looking for a one day commitment that would involve coming in to briefly speak with our students about your career/hobby and then have time to do a hands on activity so that students will walk away with not only knowledge, but the experience of putting into practice what was discussed. Come show what you know to curious elementary age students! Share something fun and interesting that you enjoy doing. Maybe you are a banker by day, but have an extreme passion for knitting at night. Show some students how to knit a small square! Or maybe you are more comfortable sharing about your career as a banker. Your choice either way we would love to have you!

Welcome Reiley Elementary Parents. My name is Melanie Dozier and I am the 2016-2017 PTA President. This is my first year as your PTA President but have been the PTA Vice President for the past two years. I have enjoyed being a part of the PTA and working with other parents, teachers, staff and the principal to bring fun and educational events to our school. I am very excited about being the President for the 2016-2017 school year.

The main role of our PTA is to build strong working relationships among parents and teachers, in support of students. This can include recruiting and coordinating volunteers, providing and organizing student educational events, planning teacher appreciation activities and much more. The PTA is sometimes perceived as a fundraising group, but according us, this is not our primary responsibility. The PTA will work with the principal to decide jointly which programs will most benefit the school.

**Reiley Elementary PTA Is On Facebook**

Please don’t forget to check out our official Reiley Elementary PTA Facebook page. Our Facebook page provides information about upcoming meetings, events, contests and volunteering opportunities. Come check us out!

**PTA Monthly Meetings**

We welcome all parents/grandparents/caregivers to join our PTA and to attend our monthly meetings. The PTA will meet at 7:00pm every third Monday of the month (unless a holiday) in the school cafeteria.

- September 19, 2016
- October 17, 2016
- November 21, 2016
- January 23, 2017
- March 20, 2017
- April 17, 2017

**To Become a PTA Member**

There will be different opportunities at the beginning of the school year to become a member and a flyer will be going home within the first 2 weeks of school. The membership dues for the 2016-2017 school year is $4.00, which is a one-time fee per school year. All family members (parents, grandparents, aunts, uncles and caregivers) are welcome to become members.

**Fall Festival**

On September 24, 2016, we will be having our Fall Festival which is our largest fundraiser of the school year. During the festival, we will have games for all ages, great food and drinks, craft vendors, a major raffle, silent auctions, basket raffles, a sweet shop and much more. We hope all Reiley families and their friends attend this great event. We will also be having a Fall Festival planning meeting on Monday, August 15 at 6:30pm in the school cafeteria if you would like to help in planning this great event.
