Roadrunner Report

I hope you enjoyed your Thanksgiving weekend and were able to spend time with family and friends. It is hard to believe that this is the 5th year for me at Reiley. It has been a blessing to be here and be a part of the Reiley family. I am thankful for all of the students, staff, and families who work so hard each day. You make Reiley such a great place to be!

The MAP assessment has typically been given in the winter here at Reiley. This year we had the option to skip this assessment, however, after talking with teachers at each grade level it has been decided to give all students the reading and math portion of the test. You will receive an updated report from your child's teacher once testing is completed. MAP reports are used to individualize instruction and address learning gaps, which we focus on in depth at Reiley. It can also be used to determine proficiency for state testing and national growth comparison. Students will test next week in reading and math only.

Friday from 6-8 p.m. is our Winter Wonderland event. Doors open at 6:00. Santa will arrive by firetruck at 6:15 and will be available for pictures after that time. 3rd & 4th graders will sing at 6:30. Mrs. Claus will be reading in the gym at 6:45. 3rd & 4th graders will sing at 7:00. Mrs. Claus will read again at 7:15. There will be several free crafts and letter writing to Santa. There will be a Santa Shop and snacks available for purchase.

Each year the staff has a breakfast celebration for Christmas. I am looking for a volunteer or two to help in each classroom for a couple hours the morning of December 16th. If you are able to help out, please contact Susan Rath at 635-2118 or email me at susan.rath@campbell.kyschools.us. Thank you! I hope you all have a Merry Christmas and Happy New Year!
Parents, we need you in order for these events to be successful! Please let us know if you can help:
12/2 Winter Wonderland (evening event)
12/16 Staff Breakfast (contact the office)
1/13 Family Movie Night

Please contact Stephanie Lause at mlause6@twc.com if you can help.

Reiley is receiving a check for $598.37 from Kroger Rewards for the first quarter. This is with 63 households signed up. You must reregister each year for Kroger rewards. Thank you for your support!

Hello Roadrunners!

The academic and personal/social aspects of the school counseling program are often times met with small group counseling and classroom guidance. This month we will be focusing on our Student Success Skills curriculum by revisiting skills to be successful students in a caring, encouraging learning environment. If you are interested in learning more about the Student Success Skills curriculum your child is receiving, please feel free to visit my webpage or contact me via email.

We also will be holding our first school-wide Club Day this month! The students are excited and were able to pick the club they would like to be a part of. This will be during the school day and on Friday December 9th!

Classroom Guidance

We are continuing to use the evidence based counseling curriculum from Student Success Skills and Second Step which address the academic and personal/social aspects of a Comprehensive School Counseling Curriculum. After the holiday break, all students will be utilizing the Jobs in Pawland to explore careers at an early age. Please feel free to review all of these curriculums and programs on my website http://www.campbellcountyschools.org/content_page.aspx?cid=316&schoolID=8

Happy Holidays

Group/Individual Counseling

Please contact me via email or phone if you feel that your child could benefit from being included in a Small Group following winter break or needs more individual attention.

Work Ethic

Work Ethic is a great topic for the month of December! Please talk with your students about what Work Ethic means and how to show a good work ethic. Leading up to and after a long break can be difficult for our students motivation so reviewing how effort leads to success is important!

Working hard and sticking to a tough task is a sign of strong character. Here are some ways parents can encourage effort:

* Tell a story. Talk about a time you had trouble learning to do something. How many times did you fall before you rode a bike? Let your child see that things haven't always come easily to you.
* Notice effort. When you see your child trying to do something, compliment her. Say, "I'm proud of how hard you are working on this project."
* Help your child see progress. Your child may be focusing on how far she still has to go. You can keep her motivated by helping her see how far she's come. "Last week, you could only run around the block. Today you were able to run over a ¼ mile."
