Roadrunner Report

March 2018

Setting the Stage for Success!

Reiley Elementary strives to have a safe and caring environment. Given the recent tragic events in our nation we will continue to do whatever it takes to keep our students safe. Please be patient at the front door, or with any new security measures we put into place. Remember it is in an effort to keep your children as safe as possible at all times. This is just a reminder that all volunteers and visitors must sign in at the office. Visitors are not allowed to go throughout the building unattended. Regular volunteers should only be at the prearranged location of service. Our district and staff are working on increasing safety through procedures and added safety measures. Reiley is blessed to have a volunteer in Police service (VIP) at our building almost every day of the week. These volunteers monitor the building and safety. They are directly linked to the Campbell County Police Department. Most of our volunteers have been volunteering a day each week for several years. If you have any suggestions on measures we can take to increase safety at our school, feel free to email Susan Rath at susan.rath@campbell.kyschools.us, or your two parent Site Base representatives - Sarah Goss and Kelly Heisler. Their contact information can be found on our SBDM school webpage. One thing you can do now is become a volunteer at our school and help students who need extra assistance with learning. We'd love to see have more volunteers!

Don't miss our first ever Family STEAM Night on March 26th! There will be plenty of activities for families to participate in around Science, Technology, Engineering, Arts, and Math! Check out the flyer attached to the Roadrunner Report for more details.

Bullying Prevention

All students viewed the movie “Wonder” on February 27th. This movie focuses on kindness overcoming bullying. We felt this movie was very important to bring a realistic view of what can occur when it comes to bullying and how our students can choose to react and make a difference in a positive way. All grades are in the process of having a follow-up conversation with the school counselors to reflect on the characters and their actions in the movie. Students really enjoyed this experience and conversation.

“When given the choice between being right and being kind, choose kind.” - Wonder

“You can’t blend in when you were born to stand out.” - Wonder

5-A-Day Challenge is March 5th-9th—How many fruits and vegetables can you eat every day? Let’s get healthy!!
