Believe in Your #Selfie and The Kindness Revolution
We want our students to be proud of themselves and recognize good deeds of others. The Kindness Revolution has come to Reiley! Tracie Johnson State Farm Agency is supporting the program, where students earn bracelets for getting caught doing kind deeds for others. Part of the program is to “pass it on” to others and recognize kindness by passing on the bracelet to others. When students pass on a bracelet they get a new one from the office. Kindness Rocks!

Veterans Day
Our annual Veterans Day program will be held on November 11th at 9:30 a.m. This program is a great way to honor those who have served for our country, both during war and peace. All veterans are invited to attend this special event. Breakfast will be provided and begin at 8:45 and we will have a parade through the hallway at 9:15, followed by a program in the gym. Please see the forms that came home with students to RSVP for this event, or check out the attachments to the newsletter.

Lost and Found
They are MANY items in the lost and found bin. PLEASE send your child to look for any items they could be missing. Feel free to come check out the bin yourself. We will be donating all items left in the bins during the Thanksgiving break.
Clothes Closet
Reiley keeps extra clothes in the front office and in the FRC office for students who experience spills and accidents during the school day. As your children are growing into bigger sizes, please consider donating sweat pants and shirts to the office to help stock our closet. Thanks!

Schoolwide Election
Friday, November 4th is the Health and Safety Fair for 1st-5th grades and we will also be having a Schoolwide Election for President. Students will have an opportunity to visit a “polling place” and cast their vote for President. We will announce our winner at the end of the school day.

PTA
The PTA Spirit wear sale will end on November 4th. Items ordered will be here by Winter break. If you would like to order for Christmas please check the appropriate box. All orders will come home with your child, unless noted.

If you have any questions contact Melanie Dozier at kycats93mw@yahoo.com. The next meeting will be on 11/21 at 7:00 to plan the Winter Wonderland on 12/2.

Parent Teacher Conferences
It is important that you meet with your child’s teacher so you understand their strengths in the classroom and goals they have for your child to be successful by the end of the year. Parent Teacher conferences are the week of November 14th. Look for more information to come home from your child’s teacher.

Holiday Help
If you think you might need some help during the holidays (Thanksgiving or/and Christmas) please call the Resource center, 488-4854. We have many churches, organizations and individuals that would like to offer help during the holidays. Many people would like to do their shopping on “Black Friday” so we need names, sizes and wants quickly. We try to make sure everyone gets the help needed, but when we get into December it may be a little difficult to find people willing to take a family. Please check your child’s clothing size and get an idea of something they would like other than clothing. I wish each and every one of you a very Happy Holiday!

November 2016

During the month of November we will be focusing on showing assertiveness towards others. This will be done during guidance and reinforced throughout the entire school day. I also will have the chance to see students for a lesson on bullying at the Health and Safety Fair this month.

For Classroom Guidance, we will be having lessons on what it means to be assertive when speaking to others and why it is important to be assertive. Students will have the chance to participate in role playing to help them to better understand how to use their assertiveness to stand up for themselves and others.

Remember I can always be reached through email:

Seven Ways to Instill Assertiveness in Children

1. Allow them to make choices.
2. Stress that your child has rights (to say no, be respected, be proud of who they are).
3. Foster self-esteem
4. Be aware of how you respond to your child’s requests.
5. Stress that assertive people still ask for help.
6. Practice being assertive at home.
7. Explain the difference between being assertive, being passive and being aggressive.

Thank you to all volunteers from our first September Career and Interest Day. It was very successful and the students enjoyed themselves. If you have reached out with interest in attending the upcoming December or March dates, please make note we have changed these dates to be more club oriented for our teachers to lead. If you still have a desire to help out and can commit to both December and March dates, please contact me at the email above with your information.

Your student will have the chance to pick their top three choices and will be placed in one of the three clubs for the two remaining dates. The hope is to build these in to our schedules so that the students can have time to explore their interests and build their capacity in different ways! Excited to try this out this year.
