ROADRUNNERS ROCK!

Roadrunner rocked the KPREP this past year, scoring in the top 5% of all KY schools! Our Reading score is 97.3, Math is 100, and Social Studies is 100! WOW! Our Writing scores are 95.9 in Language Mechanics and 69.9 in On-Demand Writing. We have closed the gap with students scoring novice in math, and our students growth scores in math and reading are up! Way to go Roadrunners!! You continue to raise the level of achievement here at Reiley. YOU are amazing!!

Veterans Day

Our annual Veterans Day program will be held on November 10th at 9:30 a.m. This program is a great way to honor those who have served our country through both war and peace. All veterans are invited to attend this special event. Breakfast will be provided and begin at 8:45 a.m. We will have a parade through the hallway at 9:15, followed by a program in the gym. Please see the attached form to RSVP for this event.

Plastic Lids Turned into Treasures

RES has collected over 1,000 lbs. of plastic lids so far! We are going to continue to collect for the remainder of the school year. We are saving our landfills AND getting something useful out of it. Help us by continuing to save and handing in your plastic lids rather than throwing them away. Lids include butter, medicine, bottles, detergent, and even hairspray!

Sign up for Remind101 and get updates and information via text. Text "@Res79d" to 81010 and you will be sign up for the Roadrunners group. Check us out on Facebook! Pictures from school events are uploaded there regularly. We are also on Twitter at @RESRocks. Stay connected!
SBDM

Congratulations to Mrs. Sarah Goss, our new School Based Council Member parent representative. Sarah, along with Kelly Heisler, work alongside three teacher members and the principal to make important decisions for our students, staff, and facilities. Welcome Sarah!

District Planning—We Need You!
You are invited to provide input to create a CCS GRADUATE PROFILE at a district planning meeting here at Reiley. A graduate profile will specify and set targets for the academic, personal, and interpersonal competencies that each student should have when they graduate high school in order to be successful in College, Career and Life. Mark your calendar for January 18th 6:30-8:30 p.m. Hope to see you there!

Attendance Incentive
Being at school is a key for academic success. We have started a friendly competition program at Reiley to track classrooms with perfect attendance. Check out the board in the cafeteria! As classrooms have perfect attendance they will earn stickers. Let’s see who earns the most stickers this year!

Help Reiley Continue Its Success
Part of a school’s success is utilizing its improvement plan or SIP. Our SIP is located on the SBDM page of our website. Our SIP calls for several committees to be used to make decisions about our instructions, assessment, climate, and safety. All these committees are open to our external stakeholders to be a part of this evaluation and decision making process. If you would like to be a part of one of the Reiley SIP committees, please contact Susan Rath at 635-2118 or susan.rath@campbell.kyschools.us

Fundraisers for 5th Grade Camp Joy
Spirit Wear Order
Attached is a spirit wear order form including two new designs for Reiley students! Orders will be accepted until 11/15, and back in time for Christmas! Don’t forget to check out the special order Koozies on the back!

World’s Finest Chocolate
Most of us remember the World’s Finest Chocolate candy bar sales when we were little. They’re back! Our 5th graders are selling the candy bars. If you work somewhere that might be interested in purchasing the candy bars, call the office and let us know. We’d be happy to sell some chocolate to your co-workers!

All money raised from these sales will go towards the 5th grade overnight field trip to Camp Joy and other end of the year activities.

TRASH FOR CASH
Did you know that every Boxtop is worth 10 cents when turned in for a school? The PTA takes our trash and turns it into money for our school! Collect Boxtops, Campbell’s Soup Labels, Coke Rewards, and County Market Receipts to earn money for our school.

Mrs. Schneider
Mrs. Donna Schneider passed away suddenly early this week. She was a kindergarten and first grade teacher at Alexandria and Reiley Elementary for 27 years. She retired just two years ago, together with her husband, Tim. They were both CCS educators who cared deeply for our students and community. They had recently bought their dream home and made other grand plans to enjoy retirement. We are devastated by this loss. Your child may have had a brother, sister, or even themselves in one of Mr. or Mrs. Schneider’s classes. Many of our 3rd – 5th grade students were in Mrs. Schneider’s class in 1st grade. In addition, her grandchildren attend Reiley. Please keep the family in your thoughts and prayers. Our community will not be the same without her.
Classroom Guidance
K-1st Grade
For Classroom Guidance, we will be working on friendship skills using the books: Stick and Stone by Beth Ferry and Tom Lichtenheld and How to Lose All Your Friends by Nancy Carlson. Through these books, students will learn appropriate ways to make and keep friends.

2nd-5th Grade
For Classroom Guidance, we will be having lessons on friendship and what it means to be assertive when speaking to others. Students will have the chance to participate in role playing to help them to better understand how to use their assertiveness and skills for being a good friend.

Seven Ways to Instill Assertiveness in Children
1. Allow them to make choices.
2. Stress that your child has rights (to say no, be respected, be proud of who they are).
3. Foster self-esteem
4. Be aware of how you respond to your child’s requests.
5. Stress that assertive people still ask for help.
6. Practice being assertive at home.
7. Explain the difference between being assertive, being passive and being aggressive.

Remember we can always be reached through email:
andrea.sebastian@campbell.kyschools.us
jill.minor@campbell.kyschools.us

How to Be a Good Friend
To have good friends you must be a good friend. Here are some of the ways good friends treat each other:

- Good friends listen to each other.
- Good friends don’t put each other down or hurt each other’s feelings.
- Good friends try to understand each other’s feelings and moods.
- Good friends help each other solve problems.
- Good friends give each other compliments.
- Good friends can disagree without hurting each other.
- Good friends are dependable.
- Good friends respect each other.
- Good friends are trustworthy.
- Good friends give each other room to change.
- Good friends care about each other.

FRC Information:
Coordinator: Linda Cross
Linda.Cross@Campbell.KYSchools.US
Phone: GL 859-635-2129
Reiley 859-448-4854
Services Provided:

Family Literacy Nights, Family Fun Nights, Parenting Programs

Advisory Council Meetings
3:45 PM
Held at Southern CC Fire Dent.

Everyone is welcome:
November 21, 2017
January 16, 2018
March 20, 2018
May 15, 2018

Thankful
We all have so much to be thankful for this year. Every day we hear of terrible things going on in the world and even in our country. Please take a minute and talk with your child about all of our blessings right here at home. Our schools are wonderful, teachers that care so much, people who want to help us succeed and families who love us. Being grateful is not something that comes naturally to children it is a learned feeling. Helping children see all the blessings they already have in this materialistic world is not easy. Wishing everyone a thankful holiday.

Holiday Help
Last call for anyone wanting help for the holidays. I will be taking requests through November 17th. I am sorry after that I can't guarantee help will be offered. Many churches, businesses, organizations and individuals want families early so they can shop early. Please call 448-4854 if you anticipate your family will need holiday help this year.

Everyone has accidents that are not their fault! Students have accidents too. They may spill something on themselves or have bathroom issues. We try to provide dry, clean changes for students and not bother families to bring in clothing. We only give out new underwear (which you may always keep), but we request you wash and return the pants and shirts back to school. The clothing we give out is either donated or purchased. We are going through many outfits each day. Please return the clothes your child borrowed

Dear Esteemed Veteran and Active Service Men and Women,

You and a guest are cordially invited to attend a Veteran’s Day celebration at Reiley Elementary on **Friday, November 10, 2017.**

A **light breakfast will be served from 8:45-9:15 AM.** Followed by a **celebratory parade and solemn ceremony in the gymnasium beginning at 9:30 AM.**

We would be honored and grateful for your attendance at this special program so that we could have the opportunity to say **Thank You** for all that you have done and continue to do, to preserve and protect our rights and freedoms.

**Please RSVP by Wednesday, November 8, 2017** so that we can properly prepare for your visit. Thank you in advance and we hope that you will be able to attend as our guest of honor for this special program.

The Fifth Grade Team and Students of Reiley Elementary School  
Bonita Pack, Coordinator  
859-635-2118 ext. 211  
Bonita.pack@campbell.kyschools.us

Please return this completed portion of this invitation to your child’s homeroom teacher or to Bonita Pack, #202 by **Wednesday, November 8, 2017.**

_____ Yes, I plan on attending the Veteran’s Day program at Reiley Elementary on November 10, 2017.

I will be attending as the guest of (student) ____________________________ who is in grade ________.

Name: ________________________________________________

Branch of Service: _______________________________________

Rank of Service: _________________________________________

Years Enlisted: ___________________________________________

Notable Information about Service: __________________________

Dear Parent,

Thursday, November 2, 2017

In honor of our military personnel, we would like to invite you to send in a photo of a special veteran for our Reiley Elementary Wall of Heroes which will be proudly displayed in the cafeteria for several weeks in November.

If you would like to participate, please send in a photo (copies preferred) in an envelope or a large Ziploc bag with the following information attached. *If needed, a copy will be made of your photo and the original will be returned to you.

The deadline for participation is 3:30 PM Wednesday, November 8, 2017. Due to time constraints, photos submitted after that time may not be a part of our display.

Veterans Wall of Heroes Information:

Student Name: _______________________
Homeroom Teacher: _______________________
Name of Veteran/Active Duty Personnel: _______________________
Relationship to Student: _______________________
Branch of Service: _______________________
Rank of Service: _______________________
Years Enlisted: _______________________
Notable Information about Service: _______________________
Contact # or Email: _______________________

_____ Yes, this is an original copy. Please create a photo copy and return the original.
_____ This is a photocopy. You may keep the photo for future use.

Thank you for your participation and for helping us to honor our veterans and active duty military personnel.

Sincerely,

Bonita Pack

WINTER WONDER LAND

December 9, 2017
Community Awareness Celebration

Campbell County Schools in partnership with the community is hosting a free Winter Wonder Land event to showcase the importance of dialogic reading with children from birth to age five and the necessary skills to be successful in Kindergarten. Any parent with children ages 0-5 years can attend. Those registering online who attend have a chance to win a $100 gift card. Registration is preferred to attend but not required. Please contact Marion Colvin for more information on registering for this event: 859-635-2173 or marion.colvin@campbell.kyschools.us.

You can also register directly by visiting https://www.astihosted.com/CAMPBELL/FormsV2/Public/Forms/SubmitCustomForm.asp?fId=GUQ31272142111112&IsResubmit=&fId=&ViewNumber=&Status=

CAMPBELL COUNTY SCHOOLS
Event held at Crossroads Elementary
475 Crossroads Blvd.
Cold Spring, KY 41076
December 9, 2017
9:00-11:30 am
Today at school I participated in COSI On Wheels’ INCREDIBLE HUMAN MACHINE show!

The day started with an assembly where a COSI educator showed us how our bodies are similar to complex machines, such as engines. We learned about the different systems in our body, like the nervous and circulatory system, and learned about the importance of maintaining our “engines” by staying active for at least 60 minutes every day, and making healthy food choices to fuel our bodies. We saw that eating a variety of foods, such as colorful fruits and vegetables, nutrient-rich dairy foods, whole grains, and lean meats and beans can provide our body with the essential nutrients we need to stay healthy and fit. The assembly ended after we helped the mechanic repair the COSI engine, and it was fired off with a BANG!

After the assembly, we had a chance to try out several hands-on activities that helped us learn more about our bodies, nutrition, and why staying active is important to our health. At one activity we put together a giant puzzle of a skeleton to see how our bones support our bodies.

Another activity showed us how to take our pulse by using our fingers, and we felt how much faster our hearts beat when we ran in place or jumped around. We even got to dance! We learned how dancing, playing, and having fun is exercise, too, and that video games and technology can keep us active even when it’s rainy or cold outside.

We learned that the choices we make can have a great impact on our long term well-being. For example, eating a balanced diet which includes low-fat and fat free dairy foods, such as milk, cheese and yogurt, helps our bodies grow up strong and healthy. And, we can also feel good knowing that the dairy foods we enjoy are produced by dairy farmers who take excellent care of their cows so they can provide us with safe, nutritious milk. We also learned that the Abbott Fund supports the Incredible Human Machine! The Abbott Fund invests in creative ideas to advance science, expand access to healthcare and strengthen communities.

Discount Admission Reward for Completing the COSI On Wheels Program:

ONE FREE Youth General Admission With One Paid Adult General Admission

Center of Science and Industry

Bring this coupon to COSI for one free Youth General COSI Admission with one paid Adult full price General COSI Admission. Valid through 9/2/18. Limit ONE coupon per offer. Some day onsite sales only. Not valid for Group Admission, Special Admission events, Family Friday Nights, The Planetarium, National Geographic Giant Screen Theatre, or other special engagements. Cannot be combined with other admission or discount offers. No cash value. COM-EHM

A COSI membership provides a full year of FUN for one great price. Become a member today and receive FREE admission to COSI, free admission to over 300 science centers worldwide, and great member discounts. Visit cosi.org or the COSI Box Office for details.
Here are some new things that I learned today:

1. 
2. 
3. 

We learned lots of cool things today, which are aligned with Ohio’s Academic Content Standards. COSI is a dynamic and interactive science center in Columbus, Ohio. Since 1982, the COSI On Wheels traveling outreach program has been bringing hands-on science education into elementary schools all across Ohio and surrounding states.

**Try this experiment at home...**

**TRICKING YOUR TASTE BUDS** How important is your sense of smell?

**Materials needed:**
- An apple
- An onion
- A potato
- Blindfold
- Toothpicks

1. Have an adult cut the apple, potato, and onion into small pieces and skewer each piece with a toothpick.
2. Put on the blindfold and squeeze your nose shut so that you cannot smell.
3. Try one of the three samples without smelling it. See if you can guess which sample you have tasted.
4. After trying each sample, switch things up by smelling the onion while eating the apple (and vice versa). What happens?

The results of this test can be surprising. Without our sense of smell, we have trouble determining tastes. This can cause some people to confuse the apple for the onion or the potato, depending on what the person smells. Some studies have shown that our sense of smell can account for up to 80% of the things we taste! [http://www.jhu.edu/~jhumag/996web/taste.html](http://www.jhu.edu/~jhumag/996web/taste.html)

Campbell County Schools presents

RAMP IT UP!

Reading and Mentoring Program

Community volunteers are needed for our Reading and Mentoring Program which helps struggling students in reading.

WHY: It takes the entire community to grow our students! National research indicates that 33% of fourth graders are below reading level. (NAEP Reading Report Card) Students who receive support CAN catch up to their grade level! Mentors make a difference in the lives of our students.

LOCATION: Offered at all elementary schools

Volunteers choose the school they would prefer to mentor in during a weekly 35-minute time span.

WHAT: Volunteers will work with one student for 35 minutes each week on the day of their choice. Volunteers may wish to mentor more than one student. Reading support resources will be supplied to volunteers during an informational session with Melissa Turner, Teaching and Learning Leader of CCS. Volunteers will fill out their background check forms during the session with Mrs. Turner.

WHEN: Contact Melissa Turner at 635-2173 to start mentoring!! She will supply you with more information and training dates.
There's more than one way to Pre-K

Your child's experiences before kindergarten are important to ensure they grow into confident, happy and independent adults.

Find the options that are best for you at MyPre-K.com.
