ROADRUNNERS ROCK!

Students, Parents, and Staff,

Be PROUD of the incredible WORK ETHIC and DETERMINATION you have all year long at school. It has paid off. This past spring our 3rd-5th grade students took the state KPREP test and THEY ROCKED IT once again! Our school scored in the Distinguished range for a third year in a row!!! This is amazing and is just another example of how awesome our students and staff are! More information about our scores, including your child's individual scores, will come home soon. We already know how great our school is, and it is nice to get the recognition from the state.

Starry Night

Don't miss out on the Family Fun Night at Reiley THIS WEDNESDAY! It includes free dinner, a planetarium encounter, telescopes from NKU, and a small craft. Come enjoy a night out! The event is from 6:30 p.m.

Veterans Day

Our annual Veterans Day program will be on November 11th at 9:30 a.m. This is a change in time from previous years. We hope that all our veterans can attend and we invite you to enjoy breakfast that morning before the event. More information will come home in the upcoming weeks. We hope to see all our families' veterans at this memorable assembly.

Sign up for Remind101 and get updates and information via text. Text "@f3gd7" to 81010 and you will be signed up for the Roadrunners group. Check us out on Facebook! Pictures from school events are uploaded there regularly. We are also on Twitter at @RESRocks. Stay connected!

Opportunities for Volunteers
We Need Your Help!

We are looking for parents to help at the annual Goodies with Grandparents event on October 21st. We will need helpers to serve donuts and juice/milk/coffee. COSI, a full-day science event is coming on October 25th. We need volunteers for this event to be successful. The Halloween Dance is the evening of the 28th and we are looking for a few people to work the door and concessions. We will be looking for help during the day on November 22nd for our annual Science Fair. Parents, we need you in order for these events to be successful! Please email Stephanie Lause at mlause6@twc.com to volunteer for any of these events.

TRASH FOR CASH

Did you know that every Boxtop is worth 10 cents when turned in for a school? The PTA takes our trash and turns it into money for our school! Collect Boxtops, Campbell’s Soup Labels, Coke Rewards, and County Market Receipts to earn money for our school.

Help Reiley Continue Its Success

Part of a school’s success is utilizing its improvement plan or SIP. Our SIP is located on the SBDM page of our website. Our SIP calls for several committees to be used to make decisions about our instructions, assessment, climate, and safety. All these committees are open to our external stakeholders to be a part of this evaluation and decision making process. If you would like to be a part of one of the Reiley SIP committees, please contact Susan Rath at 635-2118 or susan.rath@campbell.kyschools.us.

PTA

The PTA would like to thank everyone who helped to make the Fall Festival another successful event. Come check out how well we did at the next meeting - October 17th at 7:00 p.m. The PTA will begin planning the Christmas Around the World event at this meeting. We are still looking for members. Support your child and the programs at school by joining this group of volunteers. Even if you can chip in to help with even one event, it helps!

Science Fair is Coming!

The Science Fair will be on November 21st this year. All students are encouraged to participate in this event. This is an out-of-class science project. All projects will be displayed on the 21st and will be scored by teachers and guest judges. If you have someone interested in being a judge, please contact Susan Rath at susan.rath@campbell.kyschools.us. We are looking forward to another great year of awesome science!!

It's Cool 2B Kind!

RES is participating in the Kindness Revolution, a program sponsored by Tracie Johnson State Farm, that promotes concern and care for others. Students pictured below are part of the Kindness Club. They received bracelets to pass on to others when they see kind deeds above and beyond everyday expectations. All staff have bracelets to pass on as well. The Kindness Revolution has begun! We can't wait to see and hear about awesome acts of kindness!

Family Fun Night
Starry Night!
Our first Family Fun Night is a little different this year. We will be featuring the night time sky (stars, moon, and planets). We will offer a free dinner (hot dogs, chips and drinks). Activities featuring the stars, moon and planets will entertain students. They will also have the opportunity to make a small star to remind them of the Starry Night event. The Planetarium from NKU will be at both schools along with Woodman of the World Starry Night Exhibit. Come and enjoy a great evening with your family and find out about the stars, constellations and planets.

Holiday Help
If you anticipate your family might need a little help for the holidays this year please call as early as possible. Many of our churches, organizations and individuals request names early. When you call please have sizes, wants and needs (ex. Coat) ready. We will also need a working daytime phone number. The Resource Center cannot guarantee help, but we do our best to help as many students as possible.
If you are looking for a family to help please call me and I will try to find a family that could use your help.

Book Exchange
Reiley and GLE will be holding a book exchange each month. A reminder will be sent home so students can bring a book to exchange for one they haven’t read. The first exchange will be a free book for students to enjoy. See dates above. If students are interested in a chapter book they must bring a chapter when we start to exchange. READING IS FUN!!

October 2016

During the month of October we will be focusing on showing empathy and care towards others. This will be done during guidance and throughout the entire school day. October is Bully-Free Month! We will celebrate in many different ways but the biggest is during Safe Schools Week where we will Be the Hero October 16th-22nd.

Classroom Guidance

For Classroom Guidance, we will be having lessons on showing empathy and what it means to have compassion and respect for others. Students will have the chance to participate in role playing to help them to better understand what it means to show empathy and respect in relationships.

Empathy

is feeling or understanding what someone else is feeling.

Look at her face and body for clues.

What is his point of view?

How does she feel?

How can I help?

What is a kind thing to say?

Compassion is empathy in action!

We will also be completing a lesson on bullying during our Health and Safety Fair to remind students of the definition of bullying and how to stand up for themselves and others.

Each day we will celebrate by dressing up to recognize heroes in our community! See below.

Monday- “H” Day or Honorable Day - Students wear colors of honor—red, white and blue.

Tuesday- “E” Day – “Emergency Day” – Students will dress up or wear something that looks like a uniform for an emergency helper (police, nurse, paramedic, firemen, military).

Wednesday- “R” Day – “Resource Day” – Our school resource officers are so valuable to our schools. Students can wear hats or caps today. Just as the resource officers always have on their “thinking caps”.

Thursday- “O” Day – “Officer Day” – Our police officers are working at all time to keep us safe. Today students will create a Be the Hero Badge and wear it all day.

Friday- “Appreciation Day” – Have the students wear school spirit shirts today! The school shirts show that everyone is a part of the school and cares about the school and everything that goes on there. Appreciate all staff at your school today!
