ROADRUNNERS ROCK!
Students, Parents, and Staff,

Be PROUD of the incredible WORK ETHIC and DETERMINATION your child displays all year long at school. This past spring our 3rd-5th grade students took the state KPREP test and THEY ROCKED IT once again! This is amazing and is just another example of how awesome our students and staff are! More information about our scores, including your child's individual scores, will come home soon. We already know how great our school is, and it is nice to get the recognition from the state. Our school's achievement was the 3rd highest in all of Northern Kentucky!

Site Base Needs You
Reiley's Site Base Decision Making Council has an opening for a parent representative. Some training is required, and monthly meetings occur where the council makes decisions on budget, curriculum, and assessment. If you want to be more involved in the operations of our awesome school, please email Susan Rath at susan.rath@campbell.kyschools.us.

Plastic Lids Turned into Treasures
RES has collected over 900 lbs. of plastic lids so far! We are going to continue to collect for the remainder of the school year. We are saving our landfills AND getting something useful out of it. Help us by continuing to save and handing in your plastic lids rather than throwing them away.

Sign up for Remind101 and get updates and information via text. Text "@f3gd7" to 81010 and you will be sign up for the Roadrunners group. Check us out on Facebook! Pictures from school events are uploaded there regularly. We are also on Twitter at @RESRocks. Stay connected!
Opportunities for Volunteers
We Need Your Help!

We are looking for parents to help at COSI, a full-day science event coming on October 20th. (set up is the 19th). We need volunteers for this event to be successful. The Halloween dance is the evening of the 27th and we are looking for a few people to work the door and concessions. Parents, we need you in order for these events to be successful! Please email Stephanie Lause at mlause6@twc.com to volunteer for any of these events.

TRASH FOR CASH

Did you know that every Boxtop is worth 10 cents when turned in for a school? The PTA takes our trash and turns it into money for our school! Collect Boxtops, Campbell’s Soup Labels, Coke Rewards, and County Market Receipts to earn money for our school.

Help Reiley Continue Its Success

Part of a school’s success is utilizing its improvement plan or SIP. Our SIP is located on the SBDM page of our website. Our SIP calls for several committees to be used to make decisions about our instructions, assessment, climate, and safety. All these committees are open to our external stakeholders to be a part of this evaluation and decision making process. If you would like to be a part of one of the Reiley SIP committees, please contact Susan Rath at 635-2118 or susan.rath@campbell.kyschools.us

PTA

The PTA would like to thank everyone who helped to make the Fall Festival another successful event. Come check out how well we did at the next meeting - October 16th at 7:00 p.m. The PTA will begin planning the Mother/Son and Winter Wonderland events at this meeting. We are still looking for members. Support your child and the programs at school by joining this group of volunteers. Even if you can chip in to help with one event, it helps!

Reiley Rocked our Fundraisers!

Thank you to everyone who participated and supported the various fundraisers we’ve had this past month. Our Fall festival was a HUGE success! The final numbers are not in yet, but we definitely met our goal. It took months and many hands to make that event happen. Thank you! We sold $15,000 worth of mums….just WOW!!! We will be purchasing 12 new ipads for our primary classrooms with the profit from this sale. We sold $11,000 in our book sale this past week, $3,000 more than last year, and we collected over 900 lbs. of plastic lids to get not only one, but TWO benches for our playground (with 300 pounds towards our next purchase). You all are wonderful!! (and you may be broke!)

Watch Dog Dad
Any one that would like to be a Watch Dog Dad and missed the sign-up at Donuts with Dad can call me at 448-4854. Watch Dog Dads is a program that invites Dads to volunteer one day (or more is you like) at school. You will be working one on one or with small groups of students listening to them read, going over spelling words, and helping them in many different ways. You will have the opportunity to eat with your child and help out in the lunch room. Students love to have their dad volunteer. All you need is to have your current volunteer card. We have a t-shirt for you to borrow and you will spend the day with us at school! Your picture goes on the Hall of Fame board!

Holiday Help
Please remember to send/call your request for holiday help no later than November 29, 2017. Please have sizes of clothing and what your child would like other than clothes ready when you call. We will ask all families that receive help to write a thank you note to the business, church or organization that sponsored their family.

Lost and Found
The lost and found is overflowing. Has your son or daughter been missing a jacket, lunch box or water bottle? I bet we have them at school. Items get left on the playground, gym and cafeteria. I know how expensive jackets and other items are so please check or have your child check to see if we have them. All items will be donated after winter break if not claimed.
Kentucky Safe Schools Week is scheduled for October 15-21, 2017. Together we can “Get Involved and Get it Solved” STOP the Bullying! We will participate in the following student theme days:

Tuesday, October 17- students will wear their craziest socks and pledge not to bully others and “sock out” the whole idea of treating others in the wrong way.

Wednesday, October 18- students will wear their favorite team shirt as way of saying we are teaming up against bullying.

Thursday, October 19- students will wear non-matching patterns or colors for a way of saying “let’s mix up or our friendships and not bully.”

Friday, October 20- students will unite against bullying and wear our Reiley or Campbell County colors to show we are agreeing to stand together to put an end to any form of bullying!

**Classroom Guidance**

In October, our K-5 Guidance Lessons will focus on peer relationships and how to stand up against bullying. We will be creating our lessons in support of the book *Bully Proofing Your School.*
