Setting the Stage for Success at Reiley!

Be PROUD of the incredible WORK ETHIC and DETERMINATION your child displays all year long at school. This past May our 3rd-5th grade students took the state KPREP test and did a fantastic job! This is just one example of how proud the community can be of our students and staff! Reiley had excellent scores in Proficiency (Reading and Math), Separate Academic Indicator (Science, Social Studies, and Writing), and Growth (Reading and Math) for all students. We were identified without having any targeted areas scoring below the state mean. The school no longer receives a classification of Distinguished, Proficient, etc. The state is working on a star ranking for each school. We will provide you information as we receive it. Your child’s individual scores will come home soon.

There’s so much to be proud of at Reiley!

PTA Fundraiser Success

Thanks to our hardworking and dedicated PTA and school volunteers we raised over $8,000 on the Mumkin sale, and over $6,000 on the fall festival! Final numbers are not quite in from the festival, but all in all the fundraisers have set us up for funding all the programs planned for the school year. Thank you for your support!

Spiritwear and Candy Bars :)

Fifth grade is now selling spiritwear and candy bars to help raise money for their trip to Camp Joy. See the attached flyer to check out how to order your spiritwear online, or go to the following link:

www.supportJWR.com
PTA

The PTA would like to thank everyone who helped to make the Fall Festival another successful event. Come check out how well we did at the next meeting - October 29th at 7:00 p.m. The PTA will begin planning COSI, the Mother/Son, and Winter Wonderland events at this meeting. We are still looking for members. Support your child and the programs at school by joining this group of volunteers. Even if you can chip in to help with one event, it helps!

New Family Resource Coordinator

We welcome Ms. Lynlee Hertzenberg as our new Family Resource Coordinator. Lynlee has been a part of the community—she attended Reiley many years ago and her mother was a teacher here. Lynlee is excited about helping our families with resources to be successful in our community. Please feel free to reach out to her at any time. She is now collecting information for families who may need holiday assistance. She is at Reiley on Mondays, Wednesdays, and Fridays and can be reached at 859-448-4854.

World Smile Day October 5th

Harvey Ball created the smiley face in 1963 and World Smile Day began in 1999. It is so easy to smile and encourage random acts of kindness. We will celebrate on Friday, October 5th by wearing smiley attire and being encouraging to one another.

Reiley Spelling Bee Changes

Reiley Elementary will continue to have the annual Spelling Bee, however it may look a little different than the past. We are no longer participating in the Scripps National Spelling Bee due to the cost. While we will still have a classroom and school bee, there will be no further competition for students. Please see a Site Base representative if you have questions about this change.

Counseling Report: Sept
Each month as School Counselors Mrs. Sebastian and Mrs. Johnson provide many services to students and staff at Reiley. The American School Counseling Association (ASCA) divides these services into three main areas: direct, indirect and program management and support. See below for delivery of service summary for the month.

Direct:
- 68 Individual counseling check-ins
- 14 small groups
- 20 classroom guidance lessons

Indirect:
- Lots of Collaboration and Consultation regarding kiddos with staff, parents and outside agencies. 37 hours combined!
  This is done face to face, via phone and a lot of emails!

Program Management and Support:
- Program Management for counseling program implementation such as lesson planning for guidance, preparing materials for Second Step and coordinating programming and scheduling took many hours as well! Monthly report shows 38 hours combined!
Family Resource Center
Relley Elementary

FRC Information
Lynee Hertzenberg, Coordinator
Tel: 859-448-4854
Email: lynee.hertzenberg@campsell.kyschools.us
Grant's Lick Elementary: Tuesday/Thursday
Relley Elementary: Monday/Wednesday/Friday

Welcome Families! This is my first month as the Family Resource Coordinator at Grant's Lick Elementary. I am so excited to be a part of this great school and I am anxious to begin connecting with our students and families. Please feel free to contact me with any questions.

Services provided through the FRC:
- Child Care
- After-School Care
- Families in Training
- Family Literacy
- Basic Needs/Health Services (eye exams, health care, dental care, etc.)
- Education Support
- Prevention Programs
- And many more!

Parent/ Guardian Mini Assessment
Please watch for the FRC Parent/Guardian Mini Assessment to be sent home with your child within the next week. This assessment allows the Family Resource Center at Relley Elementary to plan activities and events that accommodate our students and families, as well as assess those in need. All information will be kept completely confidential. Please return all assessments to Lynee Hertzenberg, Family Resource Coordinator.

Holiday Assistance
Do you anticipate your family will need extra assistance during this holiday season? Please contact Lynee Hertzenberg at 859-448-4854 or lynee.hertzenberg@campsell.kyschools.us for more information.

Also, if you are interested in donating to a family please contact FRC Coordinator at the number listed above.

Request for assistance will be accepted through December 16th.

Relley Wood Crafting Event
WHEN
Friday, Oct. 19th, 6pm
WHERE
10631 Alexandria Pike
Alexandria, KY

MORE INFORMATION
Are you looking for a fun night out while supporting Relley Elementary staff? Join us for a night of staining and painting on October 19th! Drinks and snacks will be provided by staff. All payments are due by October 15th.

Questions? Call (859) 635-2118.

Southern Campbell Co. FRC Advisory Council Meeting
WHEN
Tuesday, Nov. 20th, 3:30pm
WHERE
1050 Race Track Road
Alexandria, KY

Please stay tuned for information on future events and family nights!
Reiley Elementary presents

Drawing Classes for kids

Did you miss the first session? Don’t worry, you can still join! We teach new lessons each session and each class.

No experience is necessary. All supplies are included. Class space is limited to 20 students. Don’t miss out, enroll today! Enrollment deadline is 1 week before session starts.

Classes
Tuesdays in the Art Room
3:30 PM - 4:45 PM
Session 2: 10/16 - 11/13
(no class on 11/6)
Session 3: 11/27—12/18

Tuition
$52.00 per 4 week session
(Call for payment plan options)

Enrollment
CALL 513-779-5858 or
ENROLL ONLINE at www.youngrembrandts.com/NorthernKY-SouthwestOH

COME DRAW WITH US!
Classes are held immediately after school. Parents are responsible for transportation at class end. Please pick your child up in the assigned classroom to sign them out after class. Children attending aftercare will be escorted back and signed in.

We kicked off the school year with an International Dot Day celebration on Friday, September 14th. Students and staff members dressed in lots of dots and we created artwork that incorporated dots, which of course, are circles. Most of all, we embraced the idea that we need to take a risk with our creativity and “make a mark to see where it takes us”.

Here’s to hoping that we embrace that mindset all year long at Reiley and be sure to check out all of the fabulous artwork hanging through the school!

**Kindergarten** students viewed George Seurat’s painting, “One Sunday Afternoon on the Island of La Grande Jatte” and discussed making a picture with dots (pointillism). Then they created different dots, large and small. Some even created a circle with circles!

**First Grade** students viewed images of mandalas (which means “circle”) and we discussed using all the space creatively in a circle. They had the choice of telling a visual story or using geometric shapes in their mandala.
Second Grade students viewed the abstract paintings of Wassily Kandinsky, a Russian painter, and discussed the use of geometric shapes in a circle. Then created abstract circles of their own.

Third Grade students learned about mandalas ("circle") They discovered how Tibetan monks create sand mandalas over three or four days to show how they feel about the Earth. After all that work, the monks destroy them and start over! Our students worked on creating mandalas with symmetry.
Fourth Grade students learned about metal relief that are found in coins and in items such as athletic medals. They glued foam shapes on a circle, covered with metallic foil and painted using two different mediums. The first try, they used markers, but that wasn’t adhering to the metal. The second time, they used tempera paint which worked much better. Just like in the real world, our students learned that artists have to experiment with materials to find ones that are compatible and that convey the artists’ message.

Fifth Grade students learned about radial symmetry found in many stained glass windows. We discussed how color and line were used to help create the leading on these windows. Students worked diligently to create symmetrical designs then carefully colored and outlined each section of their “stained glass” circle.

Remember to check out our creative “marks” hanging throughout our school.

Student Voice Survey
Notification & Opt-Out Form

Dear Parent or Guardian,

Your child will have the opportunity to complete the Student Voice Survey, this anonymous assessment allows students to give feedback to teachers on specific aspects of his or her classroom experience. The survey is online and takes approximately 10-20 minutes to complete and will be conducted during the school day.

The purpose of the survey is to provide an opportunity for students to have a voice in their classroom experience. Survey results are for teacher self-reflection and will be a tool to help guide professional practice. Teachers want to know if their students feel sufficiently challenged, engaged and comfortable asking for help.

If you DO NOT want your child to take this survey, please complete, sign and return this form to your child’s school by Wednesday, October 3rd.

The survey window will be open from October 15th – November 20th

I DO NOT want my son/daughter to participate in the Student Voice Survey.
