

Welcome to NTI specials, Reiley Roadrunners. We hope that you are all finding time to read, exercise, draw, and sing every day to help yourself stay healthy and happy.

In order to help you reach your goals of doing these activities each day we have provided you with a Bingo activity sheet. Try to get one Bingo each week. You should have at least two “Bingos” by Friday April 3rd. If you want to complete a “cover all” option and complete all the activities that would be AMAZING and an example of you ROCKING the challenge board!

You can print the activities page and color by hand, you can change the fill color of the cell on your computer, or you can simply write down which activities you complete.

If you have any questions or concerns please let us know by email, Class Dojo or Google Classroom comment.

Feel free to send us photos or videos of you completing activities. Go Reiley Roadrunners!!! #reileype
