

CAMPBELL COUNTY SCHOOLS

TRANSPORTATION

Welcomes you!

- Be at the bus stop 5 minutes before the scheduled bus stop time (waiting at the bus stop)
- Do not approach any bus in motion
- If a child needs to be dropped off at a residence other than their own, you must send a permission note (signed by a parent/guardian) to the school office and the office will give your child a **Temporary Transportation Pass**; if your child does not have this pass, the bus driver will not permit the child on the bus
- Keep the bus garage updated with your child's address, phone number, and/or emergency contact changes during the school year
- In compliance with state law, Preschool students who are less than 40 inches tall and weigh less than 40 pounds will be placed in a safety vest by the bus monitor
- When transporting Preschool students from school, the driver will only release the child to a parent, guardian, or other authorized adult at the bus door; if no authorized adult is at the bus door, the driver will return your child to their school
- When transporting Kindergarten students from school, the driver must make eye contact with a parent, guardian, or someone authorized to receive the child; if no eye contact is made, the driver will return your child to their school
- If you wish for your Kindergarten child to get off the bus in the afternoon with an older sibling (without adult eye contact), your request must be submitted in writing, given to your child's bus driver, and approved by the Director of Transportation
- For grades 1-12, please have a plan in place in the event there is not a parent/guardian at home when your child is dropped off in the afternoon
