"Coach a child, change a life"

Become a Literacy Coach today!

The One to One program trains volunteers to tutor first to third grade students who are struggling with reading. Volunteers practice with students once a week in a simple format that emphasizes reading, writing, and building basic skills. As a result, volunteers are able to make serious, meaningful connections with struggling students and help move them toward reading proficiency, a critical factor in a child’s academic success.

☆ Flexible volunteer schedules ☆

☆ Coaching opportunities available at 42 elementary schools in Northern Kentucky
