Principal's Notes

The school year is quickly coming to a close! Our students and teachers are still busy learning and growing every day. Our 3rd, 4th, and 5th grade students will get a chance to show what they know on the state K-PREP assessment the week of May 15th-21st. We know that they are well prepared and are confident that they will shine!

The third and final round of MAP testing was completed last week. Many of your children probably talked to you about their scores because they were excited about meeting or surpassing their goals! The MAP assessment allows us to accurately track student growth. From the first test in the fall to the last test in the spring, our goal is to provide instruction and interventions to help every student grow as a learner. It is exciting to see the gains that the students have made! We will be sending home individual reports later this week.

As you can see from the calendar, the month of May is filled with fun events and celebrations. I do believe that we have amazing kids at Grant’s Lick Elementary, and they continue to amaze me every day! We truly appreciate your support and partnership in your child(ren)’s education and hope that you will join us at some of our celebrations of success!

With Cardinal Pride,

David Enzweiler

Principal

(This will be held during the school day)

Music News

Kindergarten— Students have been singing songs about rain. We learned how to compose a piece of music together, played on Boomwhackers, and are continuing to work on our rhythmic skills.

1st Grade— Students created a rainstorm together using instruments. We also learned about tempo and sang a song called “Little Red Cabbage.”

2nd— just finished making our paper xylophones and are working to create a piece of music based off of a specific color scheme.

3rd— Students learned a folk dance and performed various songs using the dulcimers.

4th— All students should have an orange recorder karate belt. Please help your child to reach this goal if they have not already done so.

5th— We learned the basics of playing on the ukulele and are currently working on our posters for fifth grade night. Going to miss these 5th graders!

Art News

Kindergarten— Students learned about ROYGBIV and the color wheel.

1st— We drew our self portraits and learned about symmetry with our pointillism butterflies.

2nd/3rd— Students created scratch art and worked on scratching out an animal. Students learned about how to show the animals texture on their scratch art.

4th/5th— Students learned about jazz music and created a piece featuring a jazz instrument. Hang this piece up near a backlight at home for an awesome effect.
Students did an amazing job learning educational gymnastics. Students in grades 5 and 4 also put together a small routine. We wrapped up our gymnastic unit with a mini ninja warrior type obstacle stations!

Students in grade 5-3 began deck tennis. It is a strategic quick moving game. Concepts of both tennis and volleyball are incorporated. Grades 2-K have worked on throwing/catching different size and types of balls over a net with a partner. We have also practiced team work and different moving concepts while using a parachute! We will continue with net games in the upcoming weeks!

Summer Backpack Meals
The Family Resource Center has contacted two local churches to help with summer Backpack Meals again this year. Once again we will be hand out our bags of “Kid Friendly Food” at Derby Hills and Campbell Pointe. If your family is in need of help with food or your child had received a weekly bag of food this year come to either location on Monday (Derby Hills) or Tuesday (Campbell Pointe). We will be there between 11:00-12:00. This program is an outreach service offered by churches in the Reiley and GLE school area. Information on local food pantries in the area will be available. FRC will also provide books for children to take home and read during our summer break.

K-Prep Testing Tips
1. Have your students get a good night’s sleep before each testing day (see dates above)
2. Lay out clothes the night before and wear comfortable clothing
3. Try to make morning stress free as possible
4. Encourage your child to do his or her best on the test
5. Offer a healthy breakfast and encourage your child to eat breakfast
6. Encourage some exercise (outdoors if possible) after school

Words of Encouragement
You’re doing a good job! That’s the way! Fantastic! I appreciate all your hard work! Keep on trying! That kind of hard work makes me very happy! You’ve got your brain in gear today! Good Remembering. You’ve just about mastered that! One more time and you’ll have it. I’m very proud of you! You’re really learning a lot! WOW! I’m very proud of how hard you work! Exactly right! You did it that time! What it adds up to is” I LOVE YOU” it’s the thought behind all the words.
