It is November and we have an action packed month ahead of us! We hope that you can make it out to all the events we have planned for this month. Goodies with Grandparents will be taking place on November 2nd from 7:00 AM to 8:15 AM. Grandparents are encouraged to visit and have breakfast with their grandchild(ren), stop by our photo booth and visit student classrooms. Our 5th grade students will be recognizing our local veterans with the Annual Veteran Breakfast and Veteran’s Day Celebration.

We will be conducting a District Wide Strategic Planning on Tuesday, November 7th at GLE from 6:30 PM to 8:30 PM. This is a wonderful event for stakeholders to come together to discuss future planning for the district and help us align expectations for future graduates of Campbell County Schools. I want to encourage your participation as we want to hear from you!

We have an additional family night event coming up on November 16th which is a new addition to our calendar. We will be hosting a Family Math and Science Night for our Cardinals from 6:00 PM to 7:30 PM. We will be providing activities for students to participate in that focus on math and science along with giving parents the opportunity to create and put together activities they can practice at home. We are very excited to bring this event to you and our students!

Our Annual Walk A Thon was a success! We almost exceeded last year’s total amount raised! The donations received will go towards funding student clubs and activities, our Family Resource Center and student technology. Great job Cardinals! We are very appreciative as it pertains to your generosity. We couldn’t make these things happen without your support and involvement!

As we enter the holiday months, I want to wish you and your family a Happy Thanksgiving. I hope that you can find time to share memorable moments with family and friends during this busy time. Thank you Cardinals!

With Cardinal Pride,
Dave Enzweiler
Principal

2017 K-PREP Information
Information regarding student performance from last year’s K-PREP assessment has been provided to students. We are excited for our students and please remember to celebrate their successes with them! If you have any questions, please do not hesitate to contact me.

MAP Testing
Our next round of MAP testing will start after Thanksgiving Break. Testing will run through the last week of December prior to Winter Break. Teachers will have an up to date testing schedule in the upcoming weeks to share with you in their weekly newsletters. We are excited to see how our students have grown!
Collecting Box Tops ONLY

Through the years, GLE has collected several receipts/tabs/items to earn money for the school. Beginning now, we are collecting ONLY Box Tops! This program is extremely profitable for the school and it’s a strong program to take part in. We no longer accept County Market receipts or Coke Rewards caps. These programs have become more particular with tighter guidelines and less reward for the school. Please support GLE by sending Box Tops!

Winter Arts Festival
Save the Date!

Please mark your calendar for Friday, January 26th. Our Winter Arts Festival will take place this evening. We’ll send more details as the date gets closer!

Thankful
We all have so much to be thankful for this year. Every day we hear of terrible things going on in the world and even in our country. Please take a minute and talk with your child about all of our blessings right here at home. Our schools are wonderful, teachers that care so much, people who want to help us succeed and families who love us. Being grateful is not something that comes naturally to children it is a learned feeling. Helping children see all the blessings they already have in this materialistic world is not easy. Wishing everyone a thankful holiday.

Holiday Help
Last call for anyone wanting help for the holidays. I will be taking requests through November 17th. I am sorry after that I can’t guarantee help will be offered. Many churches, businesses, organizations and individuals want families early so they can shop early. Please call 448-4854 if you anticipate your family will need holiday help this year.

Everyone has accidents that are not their fault! Students have accidents too. They may spill something on themselves or have bathroom issues. We try to provide dry, clean changes for students and not bother families to bring in clothing. We only give out new underwear (which you may always keep), but we request you wash and return the pants and shirts back to school. The clothing we give out is either donated or purchased. We are going through many outfits each day. Please return the clothes your child borrowed.
