"Television’s gonna change people...Television will be the end of war ‘cause who could bear it? Who could bear to see war right in your own living room?"

It is this idealistic vision that drives Ruby, a young farm girl in 1927, to pursue her dream of inventing the first all-electrical television system. Working against all odds, she persists.

Fast-forwarding to a McCarthy-era New York studio, where Ruby’s story becomes the subject of a TV movie, THE RUBY SUNRISE charts the course of the phenomenon of television: from promises to compromises, and beyond.

Don’t miss this inventive and compelling season-opener, on stage this November.

"Entertaining...thought-provoking" - The New York Sun
"Reflective, ambitious" - Variety
"Smart and absorbing" - The Star-Ledger

“A whimsical approach to the joys and perils of romance...ALMOST, MAINE is a series of nine amably absurdist vignettes about love” (The NY Times).

On a cold, clear, moonless night in the middle of winter, all is not quite what it seems in the remote, mythical town of Almost, Maine. As the northern lights hover in the star-filled sky above, Almost’s residents find themselves falling in and out of love in unexpected and often hilarious ways. Knees are bruised. Hearts are broken. Love is lost, found, and confounded, in this delightful midwinter night’s dream.

Just in time for Valentine’s Day, this production will chase away your winter blues.

“Thornton Wilder crossed with ‘The Twilight Zone.’” - The New York Post
"Utterly endearing...It’s hard not to warm up to ALMOST, MAINE.” - Brodway.com

Step into the enchanted world of Broadway’s modern classic, Disney’s BEAUTY AND THE BEAST. Based on the Academy-Award winning animated feature, the stage version combines the characters, story, and songs you love with the magic of live theatre.

You’ll be transported into the classic story of Belle, a young woman in a provincial town, and the Beast, a prince trapped in a spell. When the Beast takes her father captive, Belle trades her own freedom for his release, and begins an adventure that ultimately brings an incredible transformation for all.

Teaching a beautiful lesson about the way we look at others, and ourselves, this “tale as old as time” is family theatre at its best. Bring your family together at CCHS this April.

Disney’s Beauty and the Beast is intended for all audiences.

Disney’s Beauty and the Beast is presented through special arrangement with Music Theatre International (MTI). All authorized performance materials are also supplied by MTI. 421 West 54th Street, New York, NY 10019 www.MTIshows.com
